

## Mailbox Thefts on the Rise!

Hello, All -- There have been 3 thefts of outgoing mail from mailboxes in Darnestown. I urge you NOT to put mail with account information and/or checks out for pick-up in your mailbox. Go to a post office or use a blue USPS box.

FYI,

I had a bill in my mailbox (Straw Bale Ln) today and someone apparently opened the letter, changed the Recipient name and amount on the check and tried to cash it. Fortunately, an alert teller called to ask me if it was correct.

Be careful if you use your own mailbox to mail bills! I will not be doing so any more!
